Dear Mr. BACIU,

In response to your inquiry (Nr. 04/1-1-8378), we are pleased to provide the following information regarding the taxes imposed on Moldovan carriers:

Carriers are required to pay the appropriate vehicle tax – upon entering Hungary – based on the classification listed below. For legal reference, see § 15 of 1991 LXXXII - Act on Vehicle Tax.

Gross weight	Type of transit	Tax rate* (HUF)	Tax rate** (EUR)
≤ 12 t	loco	10.000 Ft	32 €
> 12 t		30.000 Ft	96 €
≤ 12 t	transit	20.000 Ft	64 €
> 12 t		60.000 Ft	192 €

\* Per direction

\*\* Indicative price per direction

These rates shall be applied on both the outward and return journeys, and are eligible for the maximum duration of 48 hours (excluding periods of freight traffic restriction). Payment of aforementioned tax is done by acquiring revenue stamps and affixing them to the permits. If further information is required, feel free to contact us!

Budapest, 11. December 2015

Sincerely,

Mikulás Róbert
